## Director's Report April 2021

David Archer, Library Director

#### **Updates to Statistical Report**

A category for library app users has been added to the monthly statistical report. The figure represents the count of active devices using our library app. An 'active device "means that a device has had at least one session during the specified month.

The statistical report has also been temporarily modified to compare data in 2021 with 2019. Library services were significantly curtailed in the spring of 2020 due to the pandemic which resulted in reduced usage in all statistical categories.

#### **Summer Programs**

With the status of indoor events uncertain for this summer, we are in the process of renting a tent for the summer months at Aspen Drive to provide an outdoor space for programming, with an emphasis on children's story times. Library staff are working with the Village of Vernon Hills to secure the proper permits. Unfortunately, there is inadequate space at the Cook Park Library for a tent, so staff will conduct story times in grassy areas adjacent to the building, as weather permits. We will continue to offer virtual programs, with the flexibility to pivot toward more in-person programming should state guidelines allow.

#### **Vaccination Event**

Nearly 20 library staff members participated in a COVID-19 vaccination event on March 30<sup>th</sup> at the Vernon Hills Park District's Sullivan Center, adjacent to the Aspen Drive Library. The Library, Park District and the Village of Vernon Hills partnered with Jewel Osco to provide vaccinations to nearly 1,200 community members. Library staff directed attendees, checked them in and provided other logical support. The Library's I.T. contractor, Computer View, also provided technical support. The second dose follow-up event occurs Tuesday, April 20<sup>th</sup>.

#### LIBRARY BOARD MEETING AGENDA SUPPLEMENT

MEETING DATE: April 20, 2021

FROM: David Archer, Library Director

AGENDA ITEM: Committee Recommendation to Proceed with the Cook Park Library Emergency

Generator Project by Accepting a Bid from Powerlink Electric.

At the November 17, 2020 Board Meeting, Trustees unanimously approved a contract with Hansen Palmer Associates in the amount of \$11,000 to provide engineering consulting services for a new emergency generator at the Cook Park Library. In a power outage, the generator would power the computer servers, the server room's dedicated air conditioning unit, sump and ejection pit pumps and emergency lighting.

This project is subject to competitive bidding as the cost exceeds \$25,000, the threshold set by state law (75 ILCS 16/40-45). On Tuesday, April 6, 2021, bids were publicly opened for this project which included all of the electrical and mechanical scope of work indicated on the contract documents produced by Hansen Palmer Associates, and their subcontracting mechanical engineers from Elara Engineering. Four bids were received with Powerlink Electric Inc., the apparent low bidder at \$105,158

Please see attached bid results and a recommendation by Hansen Palmer to accept Powelink's bid. Additionally, Library Director David Archer received positive feedback from all three references he contacted regarding Powerlink's performance. All three responded they currently use Powerlink for their electrical needs or would use them again for their projects: Village of Northbrook; CVS/Caremark; and Interstate Power Systems.

At the April 12, 2021 Building and Grounds Committee Meeting, John Thomson, an engineer with Hansen Palmer, provided an overview of the project and recommended approval of the bid by Powerlink Electric. Committee members made a unanimous recommendation to accept a bid from Powerlink to add a drive-up window at Aspen Drive not to exceed \$121,000. This amount is for the base bid of \$105,158 with a 15% contingency.

This project will be funded from the Special Reserve Fund.

#### **Recommended Language for Motion:**

"I make a motion to approve the Building and Grounds Committee recommendation to proceed with the Cook Park Library emergency generator project not to exceed \$121,000 by accepting a bid from Powerlink Electric with a base bid of \$105,158."

Re: New Generator at Cook Park Library - Bid Review

Dear Director Archer.

On Tuesday, April 6, 2021 at 11:15am, bids were publicly opened and read for this project which included all of the electrical scope of work and mechanical scope of work indicated on the Contract Documents produced by Hansen Palmer Associates, Ltd., and their subcontracting mechanical engineers from Elara Engineering, dated March 9, 2021. There were four bids received with the apparent low bidder being Powerlink Electric with a bid of \$105,158 for all of the indicated scope of work. The other bidders were Carey Electric with a bid of \$116,630, Krauss Electric with a bid of \$119,850, and Associated Electric with a bid of \$139,250. See our attached bid results review for an evaluation of the breakout prices and variations between the bidders.

Following the bid, Ken Arnswald, the Facilities Project Coordinator with Cook Memorial Public Library District, and I had a bid review meeting with Doug Pantle, President, of Powerlink Electric, the apparent low bidder for this project via conference call on Monday, April 12, 2021 at 8:30am. During this call, we reviewed all of the major aspects of the Contract Documents, which includes the drawings and specifications, to confirm that his bid included all of the required items. We found that Powerlink's bid included all of the requirements and scope of work included in the project Contract Documents and found this bid complete and responsive. There were no alternates included in the Contract Documents, and Powerlink did not provide voluntary alternates to review.

Therefore, we find that the bid by Powerlink of \$105,158 is the responsive low bid for this project. We recommend that Powerlink's bid be accepted.

Please note that we recommend that you include approximately a 15% contingency above the bid amount to account for additional fees such as utility upgrade costs and unforeseen conditions that may arise during construction.

If you should have any questions or require any additional information regarding this matter, please do not hesitate to contact me at your earliest convenience.

Sincerely,

John'L. Thomson, P.E.

#### LIBRARY BOARD MEETING AGENDA SUPPLEMENT

**MEETING DATE:** 

April 20, 2021

FROM:

David Archer, Library Director

AGENDA ITEM:

Committee Recommendation to Proceed with the Aspen Drive Library Drive-up

Window Project by Accepting a Bid from MAG Construction.

At the June 9, 2020 Building and Grounds Committee Meeting, committee members received an overview of a proposed drive-up window at the Aspen Drive Library. Committee members directed administrative staff to conduct a survey of library users to gauge interest in this improvement. A survey was conducted in the summer of 2020 with results provided to all Trustees prior to the November Building and Grounds Committee meeting. A summary of the survey results is attached.

At the November 12, 2020 Building and Grounds Committee Meeting, committee members agreed to move forward with pricing information for the drive-up window project. The installation of the new window was subject to competitive bidding as the cost was expected to exceed \$25,000, the threshold set by state law (75 ILCS 16/40-45).

All Trustees received updates on the proposed project at the regular board meetings on January 19, 2021 and February 16, 2021.

On Tuesday, April 6, 2021, bids were publicly opened for this project which included the scope of work indicated on the contract documents produced by Product Architecture + Design. Nine bids were received with MAG Construction as the low bidder with a base bid of \$30,495 and an additional \$3,100 for Alternate 1, which adds a an exterior protective concrete bollard adjacent to the window.

Please see attached bid results and a recommendation by Product Architecture + Design to accept MAG Construction's base bid and alternate #1. Library Director David Archer received positive feedback from all three references provided by MAG Construction.

At the April 12, 2021 Building and Grounds Committee Meeting, Dan Pohrte, of Product Architecture + Design, provided an overview of the project and recommended approval of the base bid and alternate #1 by MAG Construction. Committee members made a unanimous recommendation to the full board to accept a bid from MAG Construction to add a drive-up window at Aspen Drive not to exceed \$38,600. This amount is for the base bid w/alternate #1 in the amount of \$33,595 with a 15% contingency.

Donations from the Friends of the Library and an anonymous individual will cover \$25,171.35 in costs for this project. These funds will need to be transferred to the Special Reserve Fund via approval of the attached resolution.

Aspen Drive Library: Drive-thru Window and Bookdrop Renovation Recommendation to Award

Cook Memorial Public Library District David Archer, Director 413 N Milwaukee Avenue Libertyville, IL 60048

David

On April 6, 2021 at 1:00 pm at the Aspen Drive Library, the library received a total of nine (9) bids for the new drive-thru window and bookdrop renovation project. The low base bid for the project was \$30,495.00 from MAG Construction Co. with an average base bid of \$42,485.67. The product architecture + design team was very pleased with the number and spread of the bids and felt it was a successful bid day.

In addition to the base construction scope, the team listed two (2) add alternates for the project to include a new concrete-filled steel bollard at the new bookdrop location (Alternate #1) and to include a new air curtain as supplemental conditioning for the space adjacent to the new drive-thru window (Alternate #2). The value of this additional scope of work submitted by MAG Construction was \$3,100.00 and \$12,800.00, respectively.

On April 9, 2021 at 8:00 am, our team contacted Joe Magnani, owner and representative for MAG Construction and reviewed the scope of work for the project that was included in the contract documents. At the conclusion of the phone conversation, we were satisfied that all work required to complete the project was included in their proposal and it should be considered valid. In addition, Alex Krug contacted and received positive feedback from three (3) references for projects of similar size completed by MAG Construction in the last three years. Therefore, we can confidently recommend that the library board of trustees approve the submitted bid proposal from MAG Construction Co.

Our recommendation would be to approve the development of a contract for the drive-thru window and bookdrop renovation base bid and alternate #1 for a total contract cost of \$33,595.00 with MAG Construction Co. We would also ask that the board approve a project contingency of \$5,000.00 to be used in the event of unforeseen conditions during construction for a total project cost not to exceed \$38,600.00.

Upon approval by the board, product architecture + design will provide an AIA A105-2017 standard small project agreement between owner and contractor for review and signature. As part of the contract, MAG Construction will provide a project schedule for review and approval by the library.

Please do not hesitate to contact me with any questions.

# **EXHIBIT A**

# PERSONNEL POLICY

# Article I Purpose.

# Section 1 Use.

This policy is adopted by the Cook Memorial Public Library District ("Library") Board of Trustees as a guide to staff, especially the Library Director and those members of the library staff empowered by the Library Director with employee administration. Each employee is required to read this policy and have access to a copy for reference. This policy is not intended to serve as a contract between the Library and all or each of its employees. The practices contained within this policy are informational or simply describe general or expected Library practice. Exceptions are sometimes appropriate, and the Board of Library Trustees reserves the right to alter this policy at any time without notice.

# Section 2 Goal.

The personnel practices within this policy are intended to promote the efficiency of each employee and his or her ability to function as part of a team providing library service. Consistency and fairness tempered with compassion in personnel administration is an important means of promoting good employee performance. The needs as well as the responsibilities of employees must be considered when establishing effective personnel practices. Establishing practices which compare favorably with other libraries and employers in the region is important if the Library is to be able to attract and retain staff.

#### Section 3 Legal Limitations.

Nothing in this policy shall conflict with federal, state or local laws or regulations. If any inconsistency develops between the personnel practices within this policy and any applicable law or regulation, the law or regulation will have the effect of immediately superseding these practices. All applicable laws or regulations will be observed whether or not they are stated in this policy.

## Section 4 At-Will Employment.

The Library is an at-will employer, which means that either the employee or the Library may terminate employment at any time, for any reason, or for no reason at all. The Personnel Policy gives an outline of the basic personnel policies, practices and procedures of the Library. It contains general statements of policy and should not be read as forming an expressed or implied contract or promise. The Library reserves the right to alter or amend this Personnel Policy at any time, with or without notice. The Library will try to keep this document current, but there may be times when the policy will change before this material can be revised.

# Section 5 Equal Opportunity Provisions.

The Library is an equal opportunity employer in accordance with applicable State and Federal law. The Library does not discriminate or make any employment related decision on the basis of any person's age, race, sex, marital status, handicap, disability, sexual orientation, religion, national origin, or any other characteristic that is protected by applicable law. It is the Library's goal to make all personnel decisions based on individual skill, talent and merit based on the needs of the library.

# Article II Responsibility.

### Section 1 Board of Trustees.

The Board of Library Trustees is responsible for establishing the general personnel practices contained in this policy, as it is for establishing the compensation and benefit program of the Library. These matters will be reviewed by the Board biannually. In addition, the Board is vested with the authority to make any and all employment policy decisions and to decide all matters not specifically covered by this policy.

# Section 2 Library Director.

The responsibility and authority for administering the library staff rests with the Library Director. He or she shall exercise authority within the purposes, goals and practices established in this policy and shall obey all applicable rules and regulations. If the goals of this policy are to be achieved, some interpretation of and exceptions will be necessary. The Library Director is authorized to make these interpretations and exceptions and will consult the Board when, in his or her judgment, an important precedent is likely to be established. Because exercise of administrative judgment is part of the Library Director's job, review of that judgment can be undertaken by the Board at any time.

The Library Director is responsible for delegating the administration of this policy to other responsible staff when advisable, but he or she is not relieved of responsibility for that administration. The Library Director is also responsible for recommending changes to this policy and other personnel practices of the Library to the Board. He or she is responsible for transmitting concerns of the staff to the Board regarding this policy.

# Article III Employment.

# Section 1 Recruitment.

The Library is an equal opportunity employer. Recruitment of staff members is based solely on fitness for the work to be done, with appropriate attention to educational and technical qualifications, background and experience. Employees are not required to live within the District. Trustees or close relatives of trustees shall not be employed by the Library. Close relatives of staff members are defined as parents, spouses, domestic partners, children, brothers, sisters, brothers-in-law, sisters-in law, wards, and guardians and shall not be employed by, or volunteer for, the Library in positions where they directly or indirectly supervise or are supervised by another family member.

If a candidate is asked to come from a distance exceeding 40 miles, at least one-half of the interview travel expenses will be paid by the Library. Payment for such mileage shall be reimbursed at that rate established by the U.S. Internal Revenue Service. Such mileage claims should be made within 60 days of being incurred.

All open position announcements are posted in the staff lounge and sent via email to staff.

# Section 2 Initial Training.

The first six months of service constitute an initial training period during which the employee is trained and counseled. If either the new employee or the Library wishes to terminate the employment during this period, no notice to or from the employee is required and no severance will be granted. Completion of the initial training period does not create any right to continued employment.

# Section 3 Transfers, Promotions, Demotions.

Promotions, demotions and staff transfers between departments will be with the approval of the Library Director.

#### Article IV Terminations.

# Section 1 Termination by the Library.

Elimination of staff positions may be required from time to time. Notification of dismissal should contain the reasons for dismissal and may be effective immediately. However, the provision of reasons does not require that any particular reason be given nor that any employee can only be dismissed for just cause. Employees will be paid for any earned but unused vacation time upon termination of employment.

# Section 2 Dismissal Review.

Any full-time employee who has completed the initial training period and who has been dismissed by the Library Director has the privilege of requesting an informational meeting before the Board with the Library Director and Human Resources staff member in attendance. This meeting is to permit the employee to speak to the Board regarding his or her dismissal. The Board, in its discretion, shall determine how such meeting will be structured and who will be present. Such meetings are requested by letter to the Library Director and the President of the Board of Trustees stating the grounds for the request. A request for a meeting with the Board shall not impact or delay the effective date of an employee's dismissal.

### Section 3 Retirement.

The Library does not mandate retirement based on age.

# Section 4 Resignation.

Employees exempt under the Fair Labor Standards Act are expected to give notice four weeks prior to their last day of work. All other employees are expected to give two

weeks' notice. Pay will be granted for vacation days earned but not used subject to the Library's limitations on accrual of vacation days.

### Article V Schedules.

#### Section 1 Work Week.

Full-time employees are generally scheduled to work 37 1/2 hours per week. The work week begins on Sunday and ends on Saturday. The Library Director may authorize up to 40 hours per week on a regular basis if there is need for extra time. Part-time employees normally work no more than 29 hours per week averaged over a 12-month period. Schedules are planned to meet the requirements of the Library. All schedule changes must be approved by an employee's supervisor.

Staff meetings, department meetings, and other approved committee meetings are also considered scheduled time. Attendance is required and compensation is given.

Employees are personally responsible for keeping their time in the prescribed manner.

### Section 2 Breaks.

Although not required by law, employees working a shift of 3.5 hours or more, are encouraged to take a 15-minute break with pay during each shift. Breaks must be staggered so that public services are adequately covered. Breaks shall not be taken at the beginning or end of a work period or to lengthen a meal break.

### Section 3 Meal Breaks.

Meal breaks are normally one half or one hour in length and are scheduled under the direction of the department managers. A meal break is required by law in each work period 7 1/2 hours or greater and must be scheduled not more than five hours into the work period. Meal breaks for non-exempt employees must be uninterrupted. Meal breaks are unpaid.

### Section 4 Break Time for Nursing Mothers.

Reasonable paid break time is provided to employees who need to express milk for her nursing infant child up to one year after the child's birth. The break time may run concurrently with any break time already provided. The Library will provide a room or other location for an employee to express milk in privacy. (820 ILCS 260/10)

## Section 5 Overtime.

Exempt employees do not receive overtime compensation. Time required by the Library to be worked in excess of the regularly scheduled hours for a non-exempt employee is considered overtime. All employees are expected to comply with requests to work overtime provided reasonable notice is given.

# Section 6 Overtime Pay.

Overtime is compensated at the straight time rate of pay if the total of 40 hours per work week is not exceeded. Hours worked by a non-exempt employee in excess of 40 in a work week are compensated at time and one-half.

# Section 7 — Overtime Calculation.

Only hours actually worked are counted toward overtime. No leave of any kind, holidays, or vacation granted an employee, even if paid, shall be counted as hours worked for calculating overtime.

# Section 8 [7] Non-Exempt Employee Work During Non-Work Hours.

With the exception of brief communication for informational exchanges (e.g. schedule changes), non-exempt employees are prohibited from performing library tasks during non-work hours without prior approval by their supervisor. Any such work performed without prior approval will be a reason for disciplinary action.

# Section 9 [8] Compensatory Time.

Compensation for overtime hours worked up to 40 hours in a week may be given in the form of equivalent scheduled time off. Whenever possible, compensatory time should be used during the pay period in which it is earned. An employee is to request the use of such compensatory time and such time off is granted if it does not unduly disrupt the operation of the Library.

Hours worked by a non-exempt employee over 40 hours in a week must be paid at time and one half or be taken as time and one half compensation time if the employer and the employee agree. Compensatory time for hours worked over 40 in a week which is not taken by the end of the pay period following the one in which it was incurred, however, will be compensated as pay.

# Section 40-[9] Absence and Tardiness.

Regular and predictable attendance is an essential function of every position at the Library. Employees must be prepared to start work at the time their workday begins. Employees unable to report to work for any reason, must notify their supervisor or manager on a daily basis until their return to work. Unexcused absence or tardiness may be subject to disciplinary action, including but not limited to, dismissal.

# Section | Unscheduled Closings.

Employees will be paid for time scheduled but not worked due to unscheduled closings. Employees scheduled to work during these periods will be asked to remain available to work unless specifically released. The Board may take specific action regarding compensation under special circumstances.

#### Article VI Holidays.

# Section 1 Designated Holidays.

The Library will be closed on the following Library holidays:

| New Year's Eve   | All Day | Thanksgiving Eve | At 5 p.m. |
|------------------|---------|------------------|-----------|

| Independence Day | All Day | Christmas Day    | All Day   |
| Labor Day        | All Day | Easter Sunday    | All Day   |

# Section 2 Holiday Compensation.

Library holidays are paid holidays for full-time employees and part-time employees who would normally be scheduled to work on that day. When a library holiday falls on a day which is a regular day off for a full-time employee, equivalent time off will be scheduled.

For full-time staff, Easter Sunday will be compensated as six hours of time off and Thanksgiving Eve will be compensated as four hours of time off. Part-time staff scheduled to work on holidays that fall on a Sunday will be compensated at time and one half.

# Section 3 Religious Observances.

Any employee wishing to be excused from work in order to observe a religious holiday that is not a Library holiday will be granted permission to take vacation, personal leave, or a reasonable amount of unpaid leave for this purpose.

# Article VII Vacation.

# Section 1 Scheduling.

Vacation and unpaid time off must be approved in advance by an immediate supervisor. Staffing and training considerations may affect the scheduling of vacations.

# Section 2 Eligibility.

Full-time employees and part-time employees whose work schedule is 20 hours a week or more over a twelve-month period are entitled to vacation with pay.

# Section 3 Eligibility When on Disability or Leave of Absence.

# Section 6 Availability.

All full-time and part-time employees are entitled to one week of the first year's vacation allowance during the first six months of employment. The remainder of the first year's vacation allowance may be taken after the first six months of employment.

An employment year ends on the anniversary of employment. The vacation allowance is available at any time during that employment year, subject to appropriate scheduling.

Employees are allowed to take up to one week of unearned vacation, as long as they sign a statement acknowledging that they have not earned the vacation time being taken and that it will be repaid from the final paycheck if they leave the employment of the Library for any reason before the amount of vacation time used has been earned.

#### Article XX Whistleblower Protection

The Library is committed to the highest standards of openness and accountability. An important aspect of accountability and transparency is a mechanism to enable staff and other members of the Library to voice concerns in a responsible and effective manner. When an individual discovers information which he or she believes shows serious malpractice or wrongdoing within the organization, this information should be disclosed internally without fear of reprisal, and there should be arrangements to enable this to be done. This policy ensures that no members of staff should feel at a disadvantage in raising legitimate concerns.

It should be emphasized that this policy is intended to assist individuals who believe they have discovered fraudulent or unethical behavior or impropriety. It is not designed to question financial or business decisions taken by the Library, nor should it be used to reconsider any matters which have already been addressed under harassment, complaint, disciplinary or other procedures.

This policy is designed to enable employees of the Library to raise concerns internally and at a high level and to disclose information which the individual believes shows fraudulent or unethical behavior or impropriety. This policy is intended to cover concerns which are in the public's interest and may at least initially be investigated separately, but might then lead to the invocation of other procedures e.g. disciplinary. These concerns could include:

- A. Financial malpractice or impropriety or fraud.
- B. Failure to comply with a legal obligation or statute.
- C. Dangers to health & safety or the environment.
- D. Criminal activity.
- E. Unethical behavior.
- F. Attempts to conceal any of these.

This policy is not intended to prevent or discourage an employee from disclosing information to a government or law enforcement agency if the employee has reasonable cause to believe that the information discloses a violation of state or federal law, rule or regulation.

#### Section 1 Protection.

This policy is designed to offer protection to those employees of the Library who disclose such concerns provided the disclosure is made:

A. In good faith.

B. In the reasonable belief of the individual making the disclosure that it tends to show fraudulent or unethical behavior or impropriety.

It is important to note that no protection from internal disciplinary procedures or employment action is offered to those who choose not to use the procedure in accordance with points A and B above. In an extreme case, malicious allegations could give rise to legal action on the part of the persons complained about.

#### Section 2 Confidentiality.

The Library will treat all such disclosures in a confidential and sensitive manner. The identity of the individual making the allegation may be kept confidential so long as it does not hinder or frustrate any investigation. However, the investigation process may reveal the source of the information and the individual making the disclosure may need to provide a statement as part of the evidence required.

#### Section 3 Anonymous Allegations.

This policy encourages individuals to put their name to any disclosures they make. Concerns expressed anonymously are much less credible, but they may be considered at the discretion of the Library.

In exercising this discretion, the factors to be taken into account will include:

- A. The seriousness of the issues raised;
- B. The credibility of the concern; and
- C. The likelihood of confirming the allegation from attributable sources.

#### Section 4 Untrue Allegations.

If an individual makes an allegation in good faith, which is not confirmed by a subsequent investigation, no action will be taken against that individual. In making a disclosure the individual should exercise due care to ensure the accuracy of the information. If, however, an individual makes malicious allegations, and particularly if he or she persists with making them, disciplinary action may be taken against that individual.

No employee will be retaliated against for:

- A. Making a good faith report pursuant to this policy;
- B. Refusing to participate in an activity that would result in a violation of state or federal law, rule or regulation;

- C. Disclosing information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding where the employee has reasonable cause to believe that the information discloses a violation of state or federal law, rule or regulation and,
- D. Disclosing information to a government or law enforcement agency where the employee has reasonable cause to believe that the information discloses a violation of state or federal law, rule or regulation.

#### Section 5 Procedures for Making Disclosure.

On receipt of a complaint, the staff member or Library Trustee who receives and takes note of the complaint, must pass this information as soon as is reasonably possible to the Library Director, or Library Board President in the event the Director is the subject of a complaint, who will determine the best course of action based on the nature of the allegation.

#### Section 6 Timetables.

Due to the varied nature of these sorts of complaints, which may involve internal investigators and / or the police, it is not possible to set precise timetables for such investigations. The Library Director will ensure that investigations are undertaken as quickly as possible without affecting the quality and depth of those investigations.

#### Section 7 Investigating Procedure.

The following steps will be followed:

- A. Full details and clarifications of the complaint should be obtained.
- B. The involvement of the Library's auditors and the Police will be considered at this stage, in consultation with the Library Director and/or Board President.
- C. The allegations will be fully investigated with the assistance where appropriate, of other individuals / bodies.
- D. A judgment concerning the complaint and validity of the complaint will be made in a written report containing the findings of the investigations and reasons for the judgment.
- E. The report will be passed to the Library Director and/or Board President who will decide what disciplinary or other appropriate action to take.
- F. If appropriate, a copy of the outcomes will be passed to the Library Auditors to enable a review of the procedures.

If the complainant is not satisfied that his/her concern is being properly dealt with, he/she has the right to raise it in confidence with his/her manager, Assistant Director

or Library Director.

If the investigation finds the allegations unsubstantiated and all internal procedures have been exhausted, but the complainant is not satisfied with the outcome, the Library recognizes the lawful rights of employees and ex-employees to make disclosures to prescribed persons or, where justified, elsewhere.

These rules form fundamental values to be understood and honored by all Library Officers and employees.   - 3. During any compensated time off (such as holidays, vacation or personal time off).
- C. No officer or employee shall be required at any time to participate in any prohibited political activity in consideration for that officer or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise, nor shall any officer or employee be awarded additional compensation or any benefit in consideration for his or her participation in any prohibited political activity.
- D. Nothing in this Section prohibits activities that are permissible for an officer or employee to engage in as part of his or her official duties, or activities that are undertaken by an officer or employee on a voluntary basis which are not prohibited by this Policy.
- E. No person shall be denied or deprived of employment or tenure solely because he or she is a member or an officer of a political committee, of a political party, or of a political organization or club if:
  - 1. In a position that is subject to recognized merit principles of public employment; or
  - 2. In a position the salary for which is paid in whole or in part by federal funds and that is subject to the Federal Standards for a Merit System of Personnel Administration applicable to grant-in-aid programs.

Each of the exceptions listed here is mutually exclusive and independent of every other.

B. An officer or employee, his or her spouse or an immediate family member living with the officer or employee, does not violate this Policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as now or hereafter amended, renumbered, or succeeded.

#### FAMILY AND MEDICAL LEAVE ACT POLICY

#### Article I: Statement of Policy.

In accordance with the Family and Medical Leave Act [of 1993 (29 U.S.C. 2601 et seq.)], the Cook Memorial Public Library District (the "Library") will grant to eligible employees unpaid family and medical leave that, together with other paid leaves earned by the employee, totals 12 weeks per 12-month period for any one or more of the following reasons:

- A. The birth and care of a child of the employee or the placement of a child with the employee for adoption or foster care (leave for this reason must be taken and completed within the 12-month period following the child's birth or placement with the employee); or
- B. To care for [the] employee's spouse, [child,] or parent with a serious health condition; or
- C. An employee's own serious health condition which renders the employee unable to perform the functions of his/her position.
- D. Because of any qualifying exigency arising out of the fact that the spouse, or a child, or a parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces in support of a contingency operation. Qualifying exigencies, as defined by Federal regulations, include: short notice deployment, military events and related activities, childcare and school activities, financial and legal arrangements, counseling, rest and recuperation, post-deployment activities, providing parental care for a parent of a military service member who is incapable of self-care, and additional activities not encompassed in the other categories but agreed to by the Library and employee.

In addition, an eligible employee who is a spouse, child, parent or next of kin (i.e., the nearest blood relative) of a covered service member shall be entitled to a total of twenty-six (26) work weeks of leave during a twelve-month period to care for the service member ("Military Caregiver Leave"). Military Caregiver Leave shall only be available during a single twelve (12) month period. During the single twelve-month period described in this paragraph, an eligible employee shall be entitled to a combined total of twenty-six (26) work weeks of leave under this paragraph and the general FMLA leave for the reasons set forth above in paragraphs (A) through (C). Nothing in this paragraphs (A) through (C) during any other twelve (12) month period.

#### Article II: Definitions.

- A. "12-Month Period" means a rolling 12-month period measured backward from the date leave is taken and continuous with each additional leave day taken (i.e., each time an employee takes FMLA leave, the remaining leave entitlement would be the balance, if any, of the 12 weeks that has not been used during the immediately preceding 12 months).
- B. <u>"Spouse"</u> Spouse means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex or common law marriage that either:
  - 1. was entered into in a State that recognizes such marriages; or
  - 2. if entered into outside of any State, is valid in the place where entered into and could have been entered into in at least one State.
- B. "Child" means a child either under 18 years of age, or 18 years of age or older who is incapable of self-care because of a mental or physical disability. An employee's "child" is one for whom the employee has actual day-to-day responsibility for care and includes a biological, adopted, foster or step-child.
- D. <u>"Serious Health Condition"</u> means an illness, injury, impairment, or a physical or mental condition that involves:
  - 1. Inpatient care (i.e. an overnight stay) in a hospital, hospice or residential medical care facility, including any period of incapacity, or any subsequent treatment in connection with such inpatient care; or
  - 2. Continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:
    - a. A period of incapacity of more than three consecutive calendar days, and any subsequent treatment or period of incapacity relating to the same condition that also involves:
      - i. Treatment two or more times by a health care provider within 30 days of the first day of incapacity, unless extenuating circumstances exist or,

- ii. Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.
- b. Any period of incapacity due to pregnancy or prenatal care;
- c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
- d. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective;
- e. Any period of absence to receive multiple treatments by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days without medical intervention or treatment.

The determination as to whether or not a condition is a "serious health condition" as that term is defined in the Family and Medical Leave Act and the federal regulations promulgated thereunder shall be made by the Library on a case-by-case basis.

- E. Covered active duty or "call to covered active duty status" for purposes of Qualified Exigency Leave means duty during deployment with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation pursuant to Sections 688, 12301(a), 12302, 12304, 12305, 12406, or chapter 15 of Title 10 of the United States Code or any other provision of law during a war or during a national emergency declared by the President or Congress as long as it is in support of a contingency operation.
- F. A covered service member is defined as (1) a member of the Armed Forces, including the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (2) a veteran who is undergoing medical treatment, recuperation or therapy for a serious injury or illness and who was a member of the Armed Forces, including the National Guard or Reserves, and was discharged or released under conditions other than dishonorable at any time during the period of five (5) years prior to the first date the eligible employee takes FMLA leave to care for the covered veteran. For an individual who was a member of the Armed Forces and who was discharged or released under conditions other than dishonorable prior to March 8, 2013, the period between October 28, 2009 and March 8, 2013 shall not count towards the determination of the five-year period for covered veteran status.

G. "Serious injury or illness" for purposes of Military Caregiver Leave is defined as an injury or illness that the covered member incurs in the line of duty on active duty in the Armed Forces (or that existed before the covered service member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating. In the case of a veteran, a serious injury or illness means and injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by the service in the line of duty on active duty in the Armed Forces and manifested itself before or after the member became a veteran and is (1) a continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the service member unable to perform the duties of the service member's office, grade, rank, or rating; (2) a physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; (3) a physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or (4) an injury, including a psychological injury, the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

#### Article III: Coverage and Liability.

- A. To be eligible for family/medical leave, an employee must:
  - 1. Have worked for the Library for at least 12 months; and
  - 2. Have worked at least 1,250 hours over the previous 12- month period immediately preceding the commencement of the leave.
- B. Months and hours that reservists of the National Guard members would have worked if they had not been called up for military service counts towards the staff member's eligibility for FMLA/Military Caregiver Leave.

#### Article IV: Intermittent or Reduced Leave.

A. An employee may take unpaid leave intermittently (a few days or half days at a time) or on a reduced leave schedule to care for an immediate family member with a serious health condition, including Military Caregiver Leave, or because of a serious health condition of the employee when "medically necessary."

- 1. "Medically necessary" means there must be a medical need for the leave and that the leave can best be accomplished through an intermittent or reduced leave schedule.
- 2. At the sole discretion of the Library the employee may be required to transfer temporarily to a position with equivalent pay and benefits that better accommodates recurring periods of leave when the leave is planned based on scheduled medical treatment.
- 3. Increments will be limited to the shortest period of time that the Library's payroll system uses to account for absences. An employee may take leave in increments less than a ½ hour only with the Library's consent.
- B. For part-time employees and those who work variable hours, the family and medical leave entitlement is calculated on a pro rata basis. A weekly average of the hours worked over the 12 weeks prior to the beginning of the leave should be used for calculating the employee's normal workweek.

#### Article V: Substitution of Paid Leave.

- A. An employee will be required to exhaust all accrued paid leave, e.g., vacation leave, personal days, and/or sick leave and comp time, if applicable, for any part of a family/medical leave taken for any reason.
- B. When an employee has used accrued paid vacation leave, personal days, and/or sick leave if applicable, for a portion of family/medical leave, the employee may request an additional period of unpaid leave to be granted so that the total of paid and Family unpaid leave provided equals 12 weeks.

#### Article VI: Notice Requirement.

- A. An employee is required to give 30 days notice prior to taking leave under this policy. A "Request for Family/Medical Leave" form (see attached) should be completed by the employee. The employee should submit a written request to the appropriate Department Manager who will then forward it to the Library Director. Where the need for leave is unexpected or unforeseeable, an employee should provide as much notice as is practicable, usually verbal notice within one or two business days of when the need for leave becomes known, followed by a written request.
- B. If an employee fails to give 30 days notice for a foreseeable leave with no reasonable excuse for the delay, the leave may be denied or delayed.
- C. In any instance where the necessity for leave arises from any qualifying exigency due to a spouse, child, or parent of the employee being on active duty in the Armed Forces or for Military Caregiver Leave and is foreseeable, whether because the spouse, child

or parent is on active duty, or because of notification of an impending call or order to active duty in support of a contingency operation, or for planned medical treatment, the employee shall provide such notice to the library as is reasonable and practicable.

#### Article VII: Employee Certifications.

#### Section 1 Medical.

A. For leave taken because of an employee's, or a covered family member's serious health condition, the employee must submit a completed Certification of Health Care Provider, DOL Form WH-380 or DOL FormWH-380-F, submitted to the Department Manager who will then forward it to the Library Director. Medical certification must be provided by the employee within 15 days after requested, or as soon as is reasonably possible.

#### B. The Library may require:

- 1. Additional medical information/verification (at the Library's own expense).
- 2. Periodic status reports on the condition of the employee or the covered family member.
- 3. Periodic status reports on the employee's intent to return to work.
- 4. A fitness-for-duty report before the employee returns to work.
- C. All documentation related to the employee's or family member's medical condition will be held in confidence and maintained in the employee's medical records file.

#### Section 2 Military Caregiver.

Eligible employees who apply for Military Caregiver Leave must submit DOL Form (WH-385; "Certification for Serious Injury or Illness of Covered Service Member – for Military Family Leave" or WH-385-V, "Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave". The form may be completed by a Department of Defense (DOD) health care provider, Veterans Affairs health care provider, a DOD TRICARE network authorized private health care provider, a DOD non-network TRICARE authorized private health care provider or any health care provider as defined by Section 825.125 of the Code of Federal Regulations, 29 C.F.R. 825.125.

Additionally, with respect to Military Caregiver Leave, the Library will accept the submission of an Invitational Travel Order (ITO) or Invitational Travel Authorization (ITA), in lieu of the DOL Form, for the time period specified in the ITO or ITA. The ITO or ITA submitted by the employee need not list the employee as the named recipient of the ITO/ITA, provided the employee is the spouse, parent, [child,] or next of kin of the covered service member. If the covered service member's need for care extends beyond the expiration date specified in the ITO or ITA, the employee is responsible for submitting the DOL Form for the remainder of the employee's leave

period. The Library will also accept, with respect to Military Caregiver Leave, documentation indicating the service member's enrollment in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers, regardless of whether the employee is the named caregiver in the documentation. Employees are advised that the Director may seek authentication and clarification of such documentation.

#### Section 3 Active Duty.

Eligible employees who apply for FMLA leave for "Qualifying Exigency Leave" must submit DOL Form WH-384; "Certification of Qualifying Exigency for Military Family Leave". Specifically, the first time the employee requests Qualifying Exigency Leave, the employee must provide a copy of the qualifying family member's covered active duty orders or other documentation issued by the military that indicates that the qualifying family member is on covered active duty or call to covered active duty status, and the dates of the qualifying family member's covered active duty service. Additionally, each time that the employee requests leave for one of the qualifying exigencies listed in Article I, paragraph D, the employee must certify the exigency necessitating leave. Such certification supporting leave for a qualifying exigency includes:

- A. Appropriate facts supporting the need for leave, including any available written documentation supporting the request and the type of qualifying exigency;
- B. The approximate date on which the qualifying exigency commenced or will commence, and, if requested for a single, continuous period of time, the beginning and end dates for such absence;
- C. Where leave will be needed on an intermittent basis, an estimate of the frequency and duration of the qualifying exigency;
- D. Appropriate contact information if the exigency involves meeting with a third party and a brief description of the purpose of the meeting; and
- E. If the qualifying exigency involves Rest and Recuperation leave, a copy of the military member's Rest and Recuperation orders or other documentation issued by the military which indicates that the military member has been granted Rest and Recuperation leave and the dates of such leave.

Employees are advised that if the qualifying exigency involves a meeting with a third party, the Director may verify the schedule and purpose of the meeting with the third party. Also, the Director may contact the appropriate unit of the Department of Defense to confirm that the qualifying family member is on covered active duty or call to covered active duty status.

All of the certifications identified above must be submitted by the employee within fifteen (15) calendar days after the Library provides the employee with the applicable DOL Form unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts. An employee may not be held liable for administrative delays in the issuance of military documents, despite the employee's diligent, good faith efforts to obtain such documents.

#### Article VIII: Effect on Benefits.

- A. An employee granted a leave under this policy will continue to be covered under the Library group health insurance plan under the same conditions as coverage would have been provided if they had been continuously employed during the leave period.
- B. If required prior to leave, employee contributions will continue to be required either through payroll deduction or by direct payment to the Library from the employee. The employee will be advised in writing at the beginning of the leave period as to the amount (if any) and method of payment. Employee contribution amounts are subject to any change in rates that occurs while the employee is on leave.
- C. If any employee's contribution is more than 30 days late, the Library Director may terminate the employee's insurance coverage.
- D. If at its sole discretion the Library pays any employee contributions missed by the employee while on leave, the employee will be required to reimburse the Library for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments.
- E. If the employee fails to return from unpaid family/medical leave for reasons other than (1) the continuation of a serious health condition of the employee or a covered family member, or (2) circumstances beyond the employee's control (certification required within 30 days of failure to return for either reason), the Library may seek reimbursement from the employee for the portion of the premiums paid by the Library on behalf of that employee during the period of leave.
- F. An employee is not entitled to seniority or benefit accrual during periods of unpaid leave but will not lose anything accrued prior to leave except as required by State and Federal law.

#### Article IX: Job Protection.

A. If the employee returns to work at the end of the family/medical leave, the employee will be reinstated to his/her former position or an equivalent position with equivalent pay, benefits, status and authority.

B. The employee's restoration rights are the same as they would have been had the employee not been on leave. Thus, if the employee's position would have been eliminated or the employee would have been terminated but for the leave, the employee would not have the right to be reinstated upon return from leave.

#### Article X: Family/Medical Leave Forms to Be Submitted By the Employee.

Employees seeking to use FMLA leave are required to provide:

- A. 30-day advance notice when the need is foreseeable;
- B. Written request for family/medical leave;
- C. Certifications supporting the leave request.

# BOARD OF TRUSTEE E-MAIL COMMUNICATIONS POLICY AND ADMINISTRATIVE PROCEDURES

#### Article I: Policy.

It is the goal of the Board of Library Trustees of the Cook Memorial Public Library District [("Library")] to keep its members, as well as the Library Director, informed about matters affecting the Board's work. However, the Board must all be mindful of the requirements imposed by the Illinois Open Meetings Act, Freedom of Information Act and the Local Records Act, particularly as they apply to communication among board members outside normal library board meetings.

- A. Generally, trustees shall not use email to conduct Library business (see Article II, Paragraph F). Under no circumstances shall trustees use electronic M[m]essaging [of any kind] to discuss among themselves public business that is required to be discussed in an open meeting according to the Open Meetings Act.
- [B. Trustees shall be issued a Library e-mail address. The Library-issued E-mail address is to be used for all Library related permitted Communications as described herein. In addition, the Library-issued e-mail address shall be used exclusively for Library related communications and shall not be utilized for personal or other business.]
- **B**[C]. Email communication to, by and between Board members is permitted on a limited basis for non-substantive matters such as:
  - 1. Agenda item suggestions;
  - 2. Reminders regarding meeting times, dates, and places;
  - 3. Board Meeting agenda or public record information concerning agenda items; or
  - 4. Responses to questions posed by the community, administration or staff, subject to this policy's first section.
- **C[D]**. Emails sent between and among trustees regarding such non-substantive matters shall be copied to the Library Director. There is no expectation of privacy for any messages sent or received by email.

D[E]. Under the Freedom of Information Act (FOIA), electronic messages that have been prepared, or have been or are being used, received, possessed or under the control of any public body and that pertain to the transaction of public business are public records. As such, the messages will be subject to disclosure in response to a FOIA request, unless an exemption applies. Messages may also be subject to disclosure in the context of litigation or in response to a court order. [If trustees have used personal e-mail accounts or personal devices to participate in electronic messaging or communications, those accounts and/or devices may be subject to search for disclosure in response to a FOIA request.]

#### Article II: Procedure.

The Board of Library Trustees hereby adopts the following procedures with regard to the use of email and similar electronic forms of communication to assist in our efforts to comply with the Open Meetings Act.

- A. The Board finds that electronic "chat rooms' are inherently detrimental to the open meetings process and will not utilize "chat rooms" to conduct library business or deliberations. [This does not include the "chat" feature of Zoom or a similar video conferencing system in the event that one is utilized to conduct remote meetings.]
- B. "Bulletin boards" or other similar formats, which permit the development of "discussion threads" among board members, also will not be utilized; however, board members may read the comments of others who are not board members as they see fit.
- C. The Library Director may provide information relating to library business to board members using email, attachments or other electronic methods. Any response from board members regarding these communications must be sent only to the Library Director (i.e., no "reply to all" responses). An appropriate record of these communications will be maintained in the district files to assure compliance with state law.
- D. A board member may send email items to all other board members with items of passing interest provided that no response is requested or required. Such emails should clearly state that no response should be made. It is required that any such emails be sent to the Library Director for storage.
- E. A board member may send emails to all other board members regarding scheduling issues. Board members may reply to the sender provided only that their response is limited to the subject of the original message and does not cross over to items of substance.

F. Board members may correspond between themselves if such correspondence would not constitute a violation of the Open Meetings Act.

<u>Example 1</u>: On a committee of three trustees, communications between two trustees on this committee about substantive committee business constitutes a violation of the Open Meetings Act.

<u>Example 2</u>: Any communication among three trustees about substantive Library business constitutes a violation of the Open Meetings Act (three trustees constitute a majority of a quorum of a seven-member Board).

<u>Example 3</u>: Two trustees (not members of a committee) may correspond between themselves on substantive Library business without violating the Open Meetings Act.

- G. Emails to the Board will be copied to all trustees and the Library Director. When emails from the public require Board response, the President or designee will respond, and will copy the other trustees and the Library Director.
- H. Any item of business for a Board agenda shall be directed to the President and the Library Director so that it may be included in the Board's agenda according to normal procedures. Action items shall be prepared and distributed by the Library Director in accordance with the Board's established procedures.
- I. The Library Director shall maintain a separate email file to store official email records as described herein. This record shall be maintained indefinitely. If software changes require this record to be transferred to paper, the records shall be maintained for ten years or such other time period as may be established by the State of Illinois.
