Also, with this being the last month in the fiscal year, the materials purchases were $90k to $100k higher than usual.

Mr. Johnson joined the meeting at 6:45 p.m.

Mr. Archer explained that checkouts of traditional media formats (DVDs & CDs) continue to decline as expected with the exception of video games which were up 26%. The eLibrary circulation is also up by 13.5% with eAudiobooks up 24%. LINKin checkouts have also increased by 4.3%. Mr. Archer noted that the more patrons who use LINKin, the less staff intervention that is needed.

The Summer Reading Club season will conclude at the end of July. The Exercise your Mind theme has been very popular, attracting 4,702 registrants as of mid-July, an increase of 3.5%

Eight visually appealing short films were shown over a four-hour period covering science topics such as dinosaurs, astronomy and habitats. Funding for this program was made possible by a generous donation from a long-time library resident and supporter.

Mr. Archer apprised Trustees of recent improvements over the last three months as part of the Library’s Strategic Plan. At Cook Park Library, these improvements included vending machines being installed at the new Café adjacent to the outside courtyard, mystery books being relocated to the main level for easier browsing, DVDs and magazines being relocated for easier browsing, an architectural wall system being installed on the lower level to accommodate a new study room and relocated digital studio, new furniture and computer tables being ordered for the relocated teen area in the lower level, and digital signage being installed.
